OBJECTIVE

As a dedicated student pursuing a degree in information and communication Engineering ,I have developed a strong foundation in the field of technology and communication .My academic journey has equipped me with the knowledge and skills needed to excel in this dynamic and rapidly evolving industry.

As i progress in my academic journey ,my goal is to leverage my knowledge and skills in information and communication Engineering to contribute to innovative solutions in areas like telecommunications, data analysis and network optimization .I am eager to embark on internships and projects that provide real-world experience and align with my passion for technology.

PROFESSIONAL EXPERIENCE

Codeforces

Problem Solver, 2020 – Present

As a student I am developing skills by practicing on codeforces.it will ensure a strong foundation in programming fundamentals,data structures, and algorithms.

Atcoder

Problem Solver, 2021 – present

I am also developing my skills by practicing on Atcoder. It can provide algorithmic proficiency, problem decomposition skill, debugging skills, time management skill l, problem analysis skill etc.

EDUCATION

Noakhali Science and Technology University – Sonapur, Noakhali.

Information and Communication Engineering, January
2020-present
CGPA: 3.74/4

Feni Government College - Feni
